NWS Situation Report

August 23, 2026
2:57 AM CDT

Practice HEAT SAFETY Wherever You Are

Heat related deaths are preventable.
Protect yourself and others from the
impacts of heat waves.

Job Sites

Stay hydrated and
take breaks in the shade
as often as possible

Indoors

Check up on the
elderly, sick and those
without AC

Vehicles

Never leave kids or
pets unattended -
LOOK before you LOCK

Outdoors

Limit strenuous outdoor
activities, find shade,
and stay hydrated

 [weather.gov/heat](https://www.weather.gov/heat)

Practique SEGURIDAD DEL CALOR a Donde Quiera Que Vaya

Las muertes relacionadas con el calor
son evitables. Protégase usted y a los demás
de los impactos de las olas de calor.

Lugares de Trabajo

Manténgase hidratado y tome
descansos bajo la sombra tan
a menudo como sea posible.

En el Interior

Revise a los ancianos,
enfermos y aquellos sin
acondicionador de aire.

Vehículos

Nunca deje a los niños ni
mascotas desatendidos.
MIRE antes de PONER SEGURO

Al Aire Libre

Limite actividades extenuantes
al aire libre, busque sombra,
y manténgase hidratado.

DON'T FORGET ANYONE IN A HOT CAR

*Everyone operates on auto-pilot
once in a while. Have a plan!*

Place a bag or other item in the backseat to
remind you of passengers after you park.

Place a stuffed animal in the front seat as a
reminder to check for passengers.

Consider additional methods such as
phone alarms, partner/buddy check-ins,
or built-in car reminder systems.

weather.gov

NUNCA OLVIDE A ALGUIEN EN UN AUTO CALIENTE

*Todo el mundo opera en piloto automático
de vez en cuando. ¡Tenga un plan!*

Coloque un bolso u otro artículo en el
asiento trasero para recordarle luego de
estacionarse que trae consigo pasajeros.

Coloque un peluche en el asiento delantero
como recordatorio de verificar si lleva
pasajeros.

Considere métodos adicionales tales como
alarmas en teléfonos móviles, sistema de
contacto con familiares/amigos, o sistemas
de recordatorio integrados en los autos.
